

INTIMACY WITH THE FATHER

With Neil Gamble

Join us as we welcome Neil Gamble to share and minister with us on the truth and implications of living an abundant life with our heavenly Father. This gathering provides the opportunity for us to freely minister with each other for the purpose of being the Father's loved and sent children to the world. Here is a link to more details on Neil and the heart of his calling. [Father's Hand Ministry](#)

This gathering is hosted by [Oikos](#) and [Starfishoz](#) as a way of blessing and building up the body.
Children are welcome however there are no activities or supervision organised for them.
